Subject: Follow-up Needed FOIA Request EPA-R6-2019-003351

Hello,

I am responding to a request for clarification on FOIA Request EPA-R6-2019-003351. Apologies for my late reply - I had to check in with the Clinic before we proceeded. **Great Lakes Carbon Port Arthur Plant located at 3901 Coke Dock Road, Port Arthur, TX with facility ID TXD008094153** is indeed the correct facility. I appreciate you checking to make sure. Thanks again for your help.

Best,
Alec Puente
